I Vote for Technical Committee Chair

Professor Kazunori Hayashi (entrusted by the chair professor Kazushi IKEDA) presided over the chair selection meeting. New chair is Prof. Mingyi He.

II Technical Committee 2018 Annual Work

Professor Mingyi HE (entrusted by the chair professor Kazushi IKEDA) presented the Technical Committee 2018 Annual Work. The main points are listed as follows.

- (1) Attendees introduce themselves
- (2) Call and submit 26 regular papers.
- (3) Organize and propose 13 special sessions with 58 papers.
- (4) Conduct reviews.
- (5) Promote SIPTM TC new members.
- (6) 0 members have joined in 2018 (4 in 2017).

We appreciate the chair, Professor Kazushi IKEDA for his great contributions to SIPTM committee and APSIPA. Thanks are also going to all committee members for their work and contributions in 2018.

III Plan for 2019

1. New Committee Member Nomination and Selection

SIPTM Committee will have 16 people including chair and 3 past chairs. The first task is to nominate and promote new committee members according to the TC Bylaws and APSIPA-SIPTM-TC-Bylaws.

2 Work for APSIPA ASC 2019 and Transactions

To help to call and propose regular papers and special sessions.

To organize and review conference papers.

To submit special issue to Transactions.

IV Suggestion

We suggest APSIPA to present the immediate past chair a certificate to recognize the chair's contributions and leadership in the technical committee for APSIPA. And APSIPA or the technical committee may award a certificate to member at end of the two three-year terms.
